ART YARD BKLYN offers art education programs for kids, teens, young adults, and practicing artists providing direct access to contemporary visual art. Advanced Studio is an intensive studio course where participants develop their own voice as artists along with art making skills, and other contemporary art practices. ART YARD BKLYN is a safe haven where everyone is treated with kindness and respect. They are a community of creative thinkers, expansive dreamers, and well-educated art makers. Kentler has been a fiscal sponsor of ART YARD since 2019.
